

### **Question 1:**

**Discuss the ethical responsibilities of professionals in protecting intellectual property rights (IPR).**

In your answer, consider the following:

- The importance of IPR in fostering innovation and creativity.
- Ethical dilemmas that may arise when handling proprietary information.
- Strategies professionals can implement to ensure compliance with IPR regulations.
- The role of professional organizations in promoting ethical IPR practices.

### **Question 2:**

**Analyze the impact of IPR violations on professional practice and the broader community.**

In your answer, address the following points:

- Examples of common IPR violations and their implications for professionals and organizations.
- The potential consequences of IPR infringement on innovation and competition.
- How ethical leadership can mitigate IPR violations within organizations.
- Recommendations for professionals to uphold IPR while balancing their duties to clients and stakeholders.
